FROM: _____

I wanted to let you know how important you are to me, so I'm providing you with this vital information that could help preserve your sight.

EyeCare America, a public service program of the Foundation of the American Academy of Ophthalmology, works to ensure that seniors have access to medical eye care. Through its Seniors EyeCare Program, eligible candidates receive a comprehensive medical eye exam and up to one year of care at no out-of-pocket cost.

The Seniors EyeCare Program is designed for people who:

- Are U.S. citizens or legal residents
- Are age 65 and older
- Have not seen an ophthalmologist in three or more years
- Do not belong to an HMO or the VA

To determine if you qualify for a referral through this program, call 1-800-222-EYES (3937). The helpline is open 24 hours a day, seven days a week, 365 days a year. **Call TODAY!**

**This certificate does not guarantee eligibility for the no cost eye exam and up to one year of care. Those interested must call to see if they are eligible for the program.*
